

AP 8990S SMARTLIFT™

Stilling

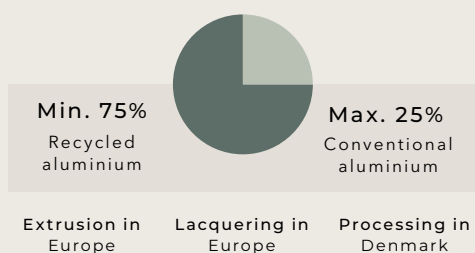

The AP 8990S is our most premium roman shade system, operated with a smart pump function called Smartlift™, which makes the blind smooth and easy to operate. Another advantage of Smartlift™ is that the cord is always the same length. Weight capacity of up to 4.5 kg. The profile is produced from minimum 75% recycled aluminium, making it part of our SUSTAIN™ portfolio.
